

**PROMOTION OF ANIMAL WELFARE SEMINAR 2017**

**EAST HAMPSHIRE DISTRICT COUNCIL**

**PENNS PLACE, PETERSFIELD, HAMPSHIRE GU31 4EX**

**WEDNESDAY 18th JANUARY 2017**

**£85.00 (plus VAT) per delegate**

The area of animal health and welfare continues to grow ever more complex and demanding as local authorities are dealing with animals from across the world as well as dealing with more localised issues such as dangerous dogs and the over population of horses.

This one day conference, sponsored by Natural Instinct, is designed to appeal to all professionals who have a responsibility or interest for animal health and welfare and a desire to broaden their understanding of animal welfare and learn and share good practice knowledge from other local authorities and industry experts. It will examine existing legislation and bylaws as well as address the new legislation for dealing with nuisance / dangerous dogs and horses. The conference will also cover pet shop licensing and inspections, including an overview of the new model license conditions for pet vending as well as the new legislation for the Control of Horses.

**WHY YOU SHOULD ATTEND**

- Review case studies, investigation and evidence gathering techniques
- Review the Pet Vendors Legislation, requirements and responsibilities
- Understand and discuss the changes in legislation for the Control of Horses
- Explore the question of duty of care when dealing with horse seizures and homing of horses
- Understand the uses of PSPOs and enforcement powers when dealing with canine issues
- Learn from successful collaborative working strategies
- Understand the changes and updates in Dog Law
- Identify the challenges and benefits of providing a 24 hour welfare service

## **WHO SHOULD ATTEND**

- Environmental Health Practitioners
- Animal Health and Welfare Officers
- Dog Wardens
- Licensing Officers
- Housing providers
- Parish Councils
- Police personnel
- Animal Welfare Charities

## **CPD**

This event is accredited with five hours CPD.
